

My name is Coach Clarence Hughes. I played one year of high school volleyball at Long Beach Jordan High School as a middle blocker and went on to play club volleyball in college at California State University, Dominguez Hills (CSUDH). While at CSUDH, I played middle blocker and outside for five years. I still play a ton of volleyball now, whether it's sand, grass or indoor! I relocated to Colorado Springs in 2020 and began coaching middle school volleyball the following spring. Since then, I have begun coaching high school and club volleyball. I currently coach JV and varsity and am in my second season with Velocity VBC.
