

In 2017, Kelsey joined Velocity during their debut season, playing on their 15's team. Over four seasons, she showcased her remarkable skills and dedication as a 6 rotation outside hitter for Velocity, as well as a DS/Libero for the State Championship-winning team at Palmer Ridge High School. Kelsey's love for the game extends beyond indoor volleyball; she also excels in beach volleyball and has qualified for the prestigious Junior AVP Championships.

After being recruited by several colleges, Kelsey decided to continue her volleyball journey at Black Hills State University as a DS/Libero. However, she soon realized that -20-degree weather was not her cup of tea, so she transferred to Grand Canyon University (GCU) to enjoy a warmer climate and pursue her passion for beach volleyball.

At GCU, Kelsey plays on their Div. 1 Club team as a 6 rotation outside hitter and is a valuable member of their beach volleyball team. As a coach, she brings extensive experience, dedication, and enthusiasm to the table, eager to share her knowledge and love for the sport with the next generation of volleyball athletes.
