

Hi! I'm coach Nak, and this will be my 5th year with Velocity and 3rd year as the head 18 Black coach. I've coached 14's all the way up! Over the last 3 years, 5 players I've coached committed to play at the D2 and D3 levels. I've played volleyball for 17 years and started playing competitive club volleyball when I was 10. I ended my volleyball career as a 6 rotation outside in college on the UCCS club team. Volleyball has been the biggest part of my life since I can remember and is one of my greatest passions!
